Option 2

SAS SMALL GROUP PROGRAM

Junior Detectives aged 8 to 12 years graduate from SAS equipped with skills to feel happier, calmer and braver, while building new friendships.

- Specialised for children with social and emotional challenges
- Highest clinical change published in the world
- Focused teaching with small groups of children
- Ready-to-use manualised program
- 10 or 19 club meetings (weekly)
- Booster sessions (over six months)
- Empowers and involves parents and teachers
- Skill Tracker to motivate at home and school
- More than 15 skills in one program
- Ideal inclusion context when paired with SAS Whole-of-Class Curriculum at school

Children will play the SAS Challenger Board Game, Secret Message Transmission Device, Helpful thought Missile Action Game and Bully-Guard Body Armour activities!

Option 3

SAS WHOLE-OF-CLASS CURRICULUM

Ready-to-use set of classroom resources to teach Australian Curriculum General Capabilities and mapped onto the HPE subject area for Years 4 or 5.

- Whole-of-Class to empower every child!
- 9 weekly sessions (45min per week)
- Strengths-based approach
- Booster sessions in the following year to ensure skills are retained after transition
- Online computer game, interactive games, and practice missions
- Online training for classroom teachers
- Ideal inclusion context when paired with SAS Small Group Program

INNOVATE WITH SAS

OPTION 1

Purchase the SAS Computer Game Pack, SAS E-telligence Pack, SAS Challenger Board Game and SAS Poster Set.

OPTION 2

Train your staff to deliver SAS Small Group Program, or refer children to SAS Providers in the community

OPTION 3

Roll out SAS Whole-of-Class Curriculum at school across Year 4 or 5 classrooms.
